

Kallonu Neeve Lyrics

Oo galemo ne vaipe lagindile
Ila neetho untene baagundilee
Sare kani chuddhamu em undile
Thappo righto edoti avuthundile

Ha... prathi roju sagame chusa
Anukuntloo kalise dhyasa
Perigindhe yedhalo aasha
Konchem konchemga nachese ninne chusaka

Kallonu neeve tellari neeve
Naa chuttu neeve nannem cheshave
Naa dhari neeve addosthuntave
Naa choopu neeve edhi cheynive

Naa lokam neeve neeve neeve
Mottham nindaave neeve neeve
Naa gunde neeve neeve neeve
Maate padaneeve
Maate padaneeve neeve neeve

Neeve neeve neeve...

Unna vaaru kuda panchaleruga
Unnadhantha panche jaale needha
Manchi kooda choosa thana kalla maatune
Ivi penchenu naalo preme naa

Neetho unta nene
Emanna nanne ninne veedipone
Eduru ne vasthane emaina chesthare
Ila neethote untane

Prathi roju sagame choosa
Anukuntloo kalise dhyaasa
Perigindhe yedhalo aasha
Koncham konchamga nachesse ninne choosaaka

Kallonu neeve... Thellare neeve

Naa chuttu neeve nannem cheshave
Naa daari neeve addosthunthaave
Naa choopu neeve yedhi cheyyaneeve

Kallonu neeve... Thellare neeve
Naa chuttu neeve nannem cheshave
Naa daari neeve addosthunthaave
Naa choopu neeve yedhi cheyyaneeve

Naa lokam neeve neeve neeve
Mottham nindaave neeve neeve
