

Kalpana Lyrics

Mere liye na karti duniya ab exist
Mere liye koi bhi ni karta hai exist
Mere room mein aane liye
Chahiye tumhe access
Kare call mujhe meri saari exist

Karu mein meri family ke liye har din prayers
Mere fan bole bella save us
Meri maa ka call puche beta kya tu abhi stable
Nai mumma save me I am not stable

Mere mann ki ni chilli
Chadhaya mujhe balli
Lgaaye tune ilzaam hai na jo

Qabool mujhe sabhi
Duaaaen meri lagee
Han tu bas teri maa ke liye khdaa ho

Jahan pe ho kisi se mann mutaav
Wahan na mehsus honge jazbaat
Naa dikhe kisi ko andhere mein koi roshni
Naa kisi ke guzarjaane ka malaal

Thaa jo bekadar
Kiya hai khud katal
Mene hi khud ki khwaahisho ka

Ab darr ni lagtaa
Mujhe maut chulle
Par kese dekhu aaina

Besharmii ho rahiiii
Sahara leliya mene andheroo ka
Ab khudgarzi ho rahiii
Ab badalo se baatain karti meri kalpana

Mene mujhe paane ke liye sab kho diya
Kho diya kho diya

Galle laga tujhko ro liya
Ro liya ro liya
Kaafi ro liya mene

Kammi na meri zindagi mein koi
Bas gehraaio mein dubtaa jaau o khudaya
Khuda na karo ehsaan mere pe eisa
Mein tumhe moll kabhi louta na paau

Mujhe pyaar chahiye hinsaa naiti
Magar mere gharwalo se milna naiti
Jisam khaali rakhi kiisi ke liye irsha naiti
Insaan kare khoon apne khoon kaa
Naa bachti koi insaani

Bhalle mujhe thoda waqt laga
Magar mera waqt laga sahi jagha
Sahi jagha rakha mene sabar

Jo karunga mein puri tarah hustle
Toh meri khaali ki tarah ye naam bhi
Rahega sdaa amar

Aasaan naiti hai kisi ke liye jaan gwaana
Jab mene khoye log shaant khadaa raha magar
Aasaan hai kisi ke liye
Kisi ki aankho mein dekh ke
Ussey aukaat dikhana

Mushkil naiti hai kisi ko bhi dil se lga ke
Uske aage aankhe jhukkana magar
Mushkil hoga tu jo gyaa
Teri jghaa pe kisi ko betha pana
