

Kalva Nee Lyrics

Kalve nee ennullae
Yedh yedho seidhaai
Sollaadha kadhai nooru
Kangal solludhae

Theera en mogangal
Theiyaadha vinmeengal
En kaadhal hormone gal
Unnai theduthe

Mazhai mugil vaanama
Nee manadhinai nanaikkiraai
Manadhgugal thirakkaiyil
En karaigalai udaikkiraai

Alaigalin sparisiyai
Nee aruginil varugiraai
Azhaithida nianikkaiyil
Thavarena nanaikkiraai

Pularum pani malar kaalamo
Pudhiyaa kanavugal neelumoo
Urangum undhan nenjamoo
Ini unarvugal pesumoo

Maayam seiyum kaadhale
Maykkam thandhu sendrathaal
Kodi pookkal polave
Nee kurunagai pookkiraai

Naan aaga nanum illai
Nee vandhu serndha pinnae
