---

Kanasinali naa nadeve ninna jotege  
Olainali maimaretu  
Barutalive bannaga lu namma kathege  
Manasuga lu taa beretu

Be lake moo didante madala sparshake  
Mitiya daa tidantha madhura harshake  
Padave illa ee mohake

Iddalle ondaagi mididide hrudaya

Adu muddagi enella nu diyutalideya  
Ee baayalli nooruntu simi simi vishaya  
Ed goo dalli eegondu chandrana udaya

Kanasinali naana deve ninna jotege  
Olainali maimaretu

Naanendigu kan dilla  
Intha aatmeeyate innellu  
Ondaaguta ondaaguta ee jeeva  
Habbavaaguttide oorallu  
Ira navellavu mareyadaantide  
Ooh kaalave neenilliye nillu neenilliye nillu

Iddale ondaagi mididide hrudaya  
Adu muddagi enella nu diyutalideya  
Ee baayalli nooruntu simi simi vishaya  
Ed goo dalli eegondu chandrana udaya

Kanasinali naana deve ninna jotege  
Olainali maimaretu

Neenaadare sangaati  
Aaga maamaagive sampoorana  
Ee lokada kannalli  
Namma sambandhave sankeerna

Maru maataa dade mrudu vaadantide

Munjaavina tangaaliya banna

Onchooru sankocha a dagide o lage  
Ko du kaiyyalli tu bharavase nanage  
Na haegaade haegidde olavina karege  
Ira bekilla neeninnu paradey margey.
