---

Kangal irandaal un kangal irandaal  
Ennai katti izhuthai izhuthai podhadhena  
Chinna sirippil oru kalla sirippil  
Ennai thalli vittu thalli vittu moodi maraithaai

Kangal irandaal un kangal irandaal  
Ennai katti izhuthai izhuthai podhadhena  
Chinna sirippil oru kalla sirippil  
Ennai thalli vittu thalli vittu moodi maraithaai

Pesa enni sila naal  
Arugil varuven  
Pinbu parvai podhum ena naan  
Ninaithae nagarvenae maatri

Kangal ezhudhum iru kangal ezhudhum  
Oru vanna kavidhai kaadhal daana  
Oru varthai illayae idhil osai illayae  
Idhai irulilum padithida mudigiradhae

Iravum alladha pagalum alladha  
Pozhudhugal unnodu kazhiyuma  
Thodavum koodatha padavum koodatha  
Idaiveli appodhu kuraiyuma

Madiyinil saindhida thudikudhae  
Marupuram naanamum thadukudhae  
Idhu varai jaaridamum solladha kadhai

Kangal irandaal un kangal irandaal  
Ennai katti izhuthai izhuthai podhadhena  
Chinna sirippil oru kalla sirippil
