---

Kanmani kanmani Njan varavayazhake ohh..  
Vemathi venmathi Nee mathi ennarike ohh..

Oru kaatayi njan ninnile  
Padi vaathikkal nilkkunnitha  
Ini uravaathe uyirake nee  
Thodum aazhangal thedunnithaa

Oo..kadhal kadamadi Kaadhil mozhiyadi  
Kalam puthiyoru Neram varumini  
Paarum ithuvazhi Njanum kurumozhiyum

Anuragam njanekidam  
Veyilellam njan thanalaakkam  
Kothi theera madhuranagal  
Kayy maaridam

Hey penne manamaake

Kaalam puthiyoru Neram varumini  
Paarum ithuvazhi Njanum kurumozhiyum

Minnum mizhikalil Ennum karuthiya  
Moha kuruvikalaake kurukukayaay.
