

Kanmaniye Song Lyrics

Unnoda vaarthaigal ovvondrai korthidum
Bakkiyam vendume enakku...enakku
Anbe un mel piththanaaguren

Ennoda vaazhkaiyil ovvoru naalume
Unnoda vaarthaiyil irukku...irukku
Anbe unnal budhanaaguren

Pollathadi pollathadi
Chinna chinna punnagai
Ullam kandapadi thulluthadi
Nee konji konji paarkkayil

Kandupidi kandupidi
Mudhale mudive neeyendru
Kollathadi kollathadi
Paavam podiyan naan

Kaarguzhal aruviyil nanainthidum varam
Kadhalil kavalaigal karainthidum dhinam
Theduthe kavithaigal avalithazh manam
Theeruthe Tamizhinil azhagiyal patham

Anbe andre ange ennai kollai kondu
Poonaayo nee
Kannai moodi unnai kandal
Munne vanthu nindrathanadi
Kanmaniye...
Kanmaniye...
Kanmaniye...
Kanmaniye...

Ival idhazh idham ena
Ilakkiyam paadiyatho
Aval mudhal naduvinil
Anigalan aagiyatho

Kadhal mazhaiyil inaiyum idhayam
Ilagum panikkool aagiyatho

Naalum unaiye suzhalum nilavai manathum
Thunaikkol aagiyatho

Hey penne naanum unnai kanda pothile
Vaanoorthiyaaga maari naanum vinnile
Un sindhanaiyai enthi kondu nenjile
Nee thandha paarvai ondrai pothi vaithen ennile

Unmana ottathai pandhayam vaikkira
Thandhirakaariyum neethano
Minsara vegathil pensaaram paichiya
Mandhira paarvaiyum neethano

Agam adhil dhinam ival
Thirai kadal aanalo
Mugam malar kanam adhil
Thiraviya theanalo

Agam adhil dhinam ival
Thirai kadal aanalo
Mugam malar kanam adhil
Thiraviya theanalo
Poonthalire...
