---

Kanna aduguthuna  
Veduruchupai unna nee venuvavvalani  
Kanna kalaluganna  
Nemali kannai epudoo ninnanti undalani

Ee purivippina sogasu  
Nee korake chusthodi  
Naa gurithappani manasu  
Nee daarulu kaasthondi

Varamuga dorakara yauvanamaali  
Theerani korikidi  
Aarani aarthi idi

Pudami pulakarinche  
Chinuku thadiga raava  
Kalavarinchu nadikai  
Kadali odivi kaava

Kuduru chedirina eduku  
Badalu thelupavaa  
Thalachi valachi piliche  
Premanu cheravaa

Ningivaithe neevu  
Neelamega nenu  
Puvvunaithe nenu

Kanna kalaluganna  
Nemali kannai epudoo ninnanti undalani
