

Kannakuzhiya Lyrics

Kannakuzhiya podhakuzhiya kolappuriye
Kannu vazhiya ullukulla nee nuzhaiyiye
Karupattiya unakkul enna karaikkiriye
Sandhu bondhellaam sanda kozhiya thorathuriye

Ninna edathula enna suzhattura
Bambaram bambarama
Usuru uruluthu unnoda madiyil
Sakkaram sakkarama

Ninna edathula enna suzhattura
Bambaram bambarama
Usuru uruluthu unnoda madiyil
Sakkaram sakkarama

Hey izhukkura sundi izhukkura
Rendu puruvathil rekka virikkira
Un nenappula seendi eriyurenae naan di

Moraikkura mugam suzhikura
Kovathilum unna parthu rasikkiren
Olaga azhagigal koodi un pol varumaadi

Uyir eluthum nee dhaan maa
Mei eluthum nee dhaan maa
En kai eluthum thalai eluthum
Un kann asaivula dhaan

Ninna edathula enna suzhattura
Bambaram bambarama
Usuru uruluthu unnoda madiyil
Sakkaram sakkarama

Ninna edathula enna suzhattura
