

Kannamma Song Lyrics

Kannamma kannamma
Kaanbena unnai
Kai vaithu moodathey
Endhan kannai

Kannamma kannamma
Kaanbena unnai
Kai vaithu moodathey
Endhan kannai

Kanner elam onna ninnu
Ungitaa pesanum
Kannae kannu

Un pinju paadaham
Theedatha nenju
Thee vachum vagadha
Eera panju

Endhan uyiraii
Vandha uyirae
Kaiyil thavazhum
Saamy neethanae

Kannaana kannuku
Emai mela perungobam
Theeratha? Theeratha?
Sarugaana uravonnu
Vusuraana malaronna
Saerathaa? Saerathaa?

Magaloda privenna lesa
Udaiyatha manasenna manasaa

Arai nodiyavathu paaren
Sudu solavathu solen
En manasoda kaayangal aara
Pora uyirae pora uyirae
Petha nodithan thirumbi vaaratha
