

Kanu Paape Song Lyrics

Kanupaape kanneetitho tadise vela
Kanipinchi matladave eduraiila
Naa prapamchamantha nanne kaadante inkem cheyyale
Ne paraayivaadai unna nee munde inkem kavale

Kopamostene tattukolene
Dooramaipote gunde aaginde
Prema ledantoo yemi kanantoo
Nannu dooramga netti potunde
Gaja bommalle chusukunnane

Gayame chesi vellipotunde
Teepi mullalle guchhu kunnave
Natakam laage mugisipo

Nidura marichina kudura marichina
Nelalu gadipinaa gnapakaltho
Manamu tirigina malupu malupuku
Selavu palukutoo ontaravvanaa

Nannintha shunyamlo nuvvunchi vellodde
Nenunda lenanta ee badhalona
Kalaalu kaadannaa lokaalu vaddnnaaa
Pranalu neevanta papeyanaa

Picchi premantha chachhi potunte
Gnapakalanni ichhipotunna
Nindu noorelloo nuvvu undaale
Gnapakamlaage vellipotunna

Ninnu dhyaninche nidralonunchi
Melukunnanu chalu levamm
Ninnu premimche pichhilonunchi
Terukunnaka ashaledamma
