

Kar daya humpe santoshi mata
Nanhe balak hai nadan hai hum
Kar daya humpe santoshi mata
Nanhe balak hai nadan hai hum
Hum bhale hai ya behad bure hai
Jo bhi hai teri santan hai hum
Jo bhi hai teri santan hai hum

Jaise ambar hai ek lakho tare
Jaise ambar hai ek lakho tare
Ek samandar karodo hai dhare
Waise hi ek tujhse o mata
Hai ye dharti ke insan sare
Tune hi hum sabhi ko racha hai
Is hakikat ki pahchan hai hum
Tune hi hum sabhi ko racha hai
Is hakikat ki pahchan hai hum
Hum bhale hai ya behad bure hai
Jo bhi hai teri santan hai hum
Jo bhi hai teri santan hai hum

Jag me anyay ho na kisi par
Dukh lagaye na pahre khushi par
Jag me anyay ho na kisi par
Dukh lagaye na pahre khushi par
Ek siva teri karuna daya ke
Karz ho na kisi ka kisi par
Teri kudrat ki parchhai hai hum
Tere dil ka hi arman hai hum
Teri kudrat ki parchhai hai hum
Tere dil ka hi arman hai hum
Hum bhale hai ya behad bure hai
Jo bhi hai teri santan hai hum
Jo bhi hai teri santan hai hum

Jhuti khushiyo ko pake na phule
Jhuti khushiyo ko pake na phule
Pap ke jhulo me hum na jhule
Yaad rakhe sada naam tera

Farz apna kabhi bhi na bhule
Bhul hi to yaki kya hai kyoki
Apni bhulo se anjan hai hum
Bhul hi to yaki kya hai kyoki
Apni bhulo se anjan hai hum
Hum bhale hai ya behad bure hai
Jo bhi hai teri santan hai hum
Jo bhi hai teri santan hai hum
Kar daya humpe santoshi mata
Nanhe balak hai nadan hai hum
Hum bhale hai ya behad bure hai
Jo bhi hai teri santan hai hum
Jo bhi hai teri santan hai hum.
