

Karishma dekho nazara dekho
Mai to shishe se pathar todungi
Jo do dil bichhade hai
Main unko jodungi
Ha unko main to jodungi
Karishma dekho nazara dekho
Main to shishe se pathar todungi
Jo do dil bichhade hai
Main unko jodungi
Ha unko main to jodungi
Karishma dekho,
Dekho re nazara dekho

Us geet ko chhedungi
Jise log sune jaye
Ab dekhna kya hoga kahi

Hosh na ud jaye
Wahi naam bataungi
Wahi kam dikhaungi
Jo tumko pasand aaye
Karishma dekho,
Dekho re nazara dekho

Tumhe jis se mohabbat hai
Aji hoga wo baaho mein
Koi dost koi dushman meri
Sab hai nigaho mein
Kis baat ka rona hai
Abhi faisla hona hai
Tumhe kaun ye samjhaye
Karishma dekho,
Dekho re nazara dekho

Ye khel hai duniya ka kahi
Pyar kahi dhokha
Kismat ko jo karna hai
Wo aaj abhi hoga
Zara rahna sambhal ke ji
Kahi aage chal ke
