

Teri aankhon mein dekh ke
Teri baahon mein jhoom ke
Tere haathon ko choom ke
Teri zulfon ko chhed ke
Tere roop ki noor ki
Hai kasam tu na ja
Oh meri jaan oh o meri jaan

Is raat ko thaam lo
Saari ghadiyaan tod do na
Is chand ko bandh lo
Chadhte sooraj ko rok lo
Is chandni raat ki
Hai kasam tu na ja
O meri Jaan oh o meri jaan

Milte yeh lamhe naseeb se
Tujhko nahin hai pata
Dekhoo main tujhko kareeb se
Kar loo zara si khata
Dooriyaan mita bhi de
Aankhon se aankhen bhida
Khwaabon ko sajaa bhi de
Kehte hai armaan

O meri Jaan oh o meri jaan

Mere khwaabon ko tod ke
Meri neendhon ko chheen ke tu
Tere dil ko ujaad ke
Mere chain ko toot ke
Meri neendon ki khwaabon ki
Hai kasam tu na jaa
Oh meri jaan oh o meri jaan

Bas do ghadi ka sawaal hai
Jo hua jaane bhi de
Deewano ke jaisa haal hai
Mujh ko manane bhi de
Apne bekaraar ko

Thoda satane bhi de
O bezubaan ehsaas ko
Kya karu main bayaan
O meri jaan oh o meri jaan

Aansoon ki duaon main
Apne sar ko jhuka ke main to
Dono hathon ko jod ke
Tujhe maanga hai rab se
Mere sajdon ki duaon ki
Hai kasam tu na ja
Oh o meri jaan oh o
Meri jaan o o o
Hai kasam tu na ja
Hai kasam tu na ja
Hai kasam tu na ja.
