

# Kashmeeru Song Lyrics

---

Chirugaali veechela ee medalo  
Ekkada ye daari ledhento  
Selayeru paarela ee thotalo  
Yekkada ye vaalu ledhento

Ituvanti chotulalo kamme segalalo  
Premanila pooyinchaalo ento  
Ivaale ivaale alaa vaalipodha  
Kashmeeru laanti seemalalo  
Aa rojulaage alaa thelipodha  
Jheelammanallaanti premalalo

Hmm andaala loya cheseti maaya  
Jathaga marosaari chuddaam priya  
Chebuthaaru prathi okaru nelapaina unde  
Swargam adhanta podham padha  
Aa manchu kanumallo nerpinchamante  
Nerpisthaa premante ento

Prapanchaanni marachi  
Kaasepu oogipodhaam  
Devakanyalunde aa graamamulo  
Aa gnaapakaalu pogu cheyyi chaalu  
Lotanedhi undadhika nee madhilo

Nuvvu adigithe teesukellana  
Aa chotulona chali undi chaana  
Vanukuthu neevunte chusthu alaa  
Ela thaalane ayyo lady koonna

Chali mantalai nannu nee maatale  
Thaakutunte chalesthaada ento  
Nee kougile nannu  
O kambalai kaachukunte  
Vanukuthaana ento

Naa mundu nuvvundi maataduthunte  
Kadhile kaalaanne aapeyanaa

Aa gooti padavallo nee gundepai vaali  
Niduristhaa nede aa seemalalo  
Yedhemi avuthunna ye gonthu yemanna
