

Kattu Thee Song Lyrics

How bout you plan i'll break it
How bout you run i'll chase you
Time's up and you can't fake it
Click of a gun bloody wall
I can make you feel it all

Lips shut you're
Screaming and screaming
And i don't mind

Angam vettum naalu
Aali kathum choodu
Vegathil kopam keru
Kaadin ullam moodum kattu thee

Nattam karangenda
Ottam thudangenda
Vettakkayi vannavanum
Ninnavanum theyil kuruthi

Give me the fire
To burn their desire
Give me the fire
To burn their desire

Udaleriyum venal kaalam
Nin paapangalkithu paadam
Nee vilayaayi vaangum shaapam
En pakayil kathum thaapam

Nin bhayamen onnam lakshyam
Aa pathanam kaanum nithyam
Nee irulil thappi thappi
En keniyil veezhum keedam

Nee panden purakil vanno
En sahanam kuravaayi kando
En murivil pulakam kondo
En vazhiyil thadayaay ninno

Innellam thiriyum naalu
Nee irayaayi maarum neru
Vannethire nilkaan poru
Kandariyaam thammil aaru

Give me the fire
To burn their desire
How bout you run i'll chase you.
