

Kattupuli Lyrics

Kattu puli aadu vesham ketti varunnunde
Aadu puli vesham ketti koode nadappunde
Aadethu puliyethu neeyaru njanaaru
Aaranu nerullavan ennu aarkkumariyilla

Athanu nammade kalikaalam
Aamarattakkalam
Namukku namme polum
Ariya vayya kaalam
Kattu puli aadu vesham ketti varunnunde
Aadu puli vesham ketti koode nadappunde

Kannadi nokkumbol thannathan kanumbol
Thaan polum nerano
Chintha kuzhappam
Chikku chikka chikku chikka

Kannadi nokkumbol thannathan kanumbol
Thaan polum nerano
