

Kaun hai jo sapano me aayaa
Kaun hai jo dil me samaayaa
Lo jhuk gayaa aasamaa bhi
Ishq meraa rag laayaa
Kaun hai jo sapano me aayaa
Kaun hai jo dil me samaayaa
Lo jhuk gayaa aasamaa bhi
Ishq meraa rag laayaa
O priyaa, o priyaa

Zindagi ke har ik mod pe mai
Git gaataa chala jaa rahaa hun
Zindagi ke har ik mod pe mai
Git gaataa chala jaa rahaa hun
Bekhudi kaa ye aalam na puchho
Manzilo se badhaa jaa rahaa hun
Manzilo se badhaa jaa rahaa hun
Kaun hai jo sapano me aayaa
Kaun hai jo dil me samaayaa
Lo jhuk gayaa aasamaa bhi
Ishq meraa rag laayaa
O priyaa, o priyaa

Husn jabase meraa ho gayaa hai
Mujhape padati hai sabaki nigaah
Mujhape padati hai sabaki nigaah
Kaun hai jo sapano me aayaa
Kaun hai jo dil me samaayaa
Lo jhuk gayaa aasamaa bhi
Ishq meraa rag laayaa
O priyaa, o priyaa

Jism ko maut aati hai lekin
Ruh ko maut aati nahi hai
Jism ko maut aati hai lekin

Ruh ko maut aati nahi hai
Ishq raushan hai raushan rahega
Raushani isaki jaati nahi hai
Raushani isaki jaati nahi hai
Kaun hai jo sapano me aayaa
Kaun hai jo dil me samaayaa
Lo jhuk gayaa aasamaa bhi
Ishq meraa rag laayaa
O priyaa, o priyaa, o priyaa.
