

Hey kaun hai woh  
Kaun hai woh  
Hey kaun hai woh  
Heere jaise aankhon  
Wali kaun hai woh  
Sone jaise balo  
Wali kaun hai woh  
Chandi jaise galo  
Wali kaun hai woh  
Dhimi dhimi chalo  
Wali kaun hai woh  
Kaun hai woh

Laakhon haseen dekhe  
Koi thehra na saamne  
Aate hi iske dekho sabke  
Chehre utar gaye  
Yeh bala kaun hai  
Is ka naam hai kya  
Rehti ho kahan  
Karti kaam hai kya  
Laakhon haseen dekhe  
Koi thehra na saamne  
Aate hi iske dekho  
Sabke chehre utar gaye  
Yeh bala kaun hai  
Is ka naam hai kya  
Rehti ho kahan  
Karti kaam hai kya

Laal dupatta uche  
Sandal reshmi kameez  
Pehle na dekhe thi  
Maine aisi koi cheez  
Is jawan hoor se  
Baat kar door se  
Ho jaye na yeh khafa  
Laakhon haseen dekhe  
Koi thehra na saamne  
Aate hi iske dekho

Har dhadkan ko meri tamanna  
Labon ko meri pyaas  
Sab hai mere ishq mein pagal  
Sab ko meri talaash  
Mujh mein hai shokhiyan  
Mujh mein hai mastiyaan  
Har dil pe mera nasha  
Laakhon haseen honge  
Koi mujhsa yaha kahan  
Kitne jawaan ladke  
Meri chahat pe margaye  
Yeh umar yeh nazar  
Husn ki yeh ada  
Jisne dekha mujhe  
Ho gaya woh fida  
Laakhon haseen dekhe  
Koi thehra na saamne  
Aate hi iske dekho  
Sabke chehre utar gaye
