

Kaun Hai Ye Song Lyrics

Haan bhai!
Kya bolte sablog
Kya chah rahe hai
Huh emiway bantai
Maalum hai na
Sunn!

Haarega tu baar baar
Phir bhi karte reh koshish
Bheje mein sambhal ke rakhne ka
Beta ye 2 cheez
Mayus nahi hone ka
Zyada nahi rone ka
Sabka din aata hai
Pehle khud ko kar notice

Aur baahar nikal ke aa
Jis se takleef hai
Stress ko vatta
Sutta le le tapri se
Chapri se puchega toh
Aisa tujhe wo salah dega

Pareshan rehna chhod
Jawab tera kala dega
Bhala tera tere hath mein
Takat bhara daat mein chabake thooko
Jo bhi gadari kar raha sath mein
Dum chaiye baat mein dimag dil sath mein
Kalkaar nai banjata
Beta koyi bhi ek raat mein

Karte ja karte ja karte ja
Panne ko bharte ja
Dil mera kehta tha ladte ja
Badhte ja badhte ja badhte ja
Khud mein ubharte ja
Nahi hora ghar pe ja

BHARAT
lyrics

Lekin mein darke nahi
Jane walo mein se be
Safalta milega woh din kab hai
Samjh mein aata nahi tha kuch bhi
Sab sunate the kya karun main

Dil ka sunu kiska sunu
Kisse baat karun kisse mera rishta chunu
Zyada soch mat hone do flow mein
Das log khana khaye 200 mein

Shoot ke baad struggle kiya maze liya
Subhe uthke bhagta tha
Neend liya nahi poora fate jagta tha
Music mera leke har jagah pe bhagta tha
Khudpe tha focus na kiske jhakta tha

Pata tha kabhi na kabhi mouka milenga
Apne bhi gamle mein fool zaroor khilenga
Khil gaya bhai!
Gaana aisa banaunga pura duniya hilenge
Hil gaya bhai!
Bohat mehnga gana mera bol beta kon lenga

Public hai sath mein deal bata khoke ka
Bantai ki public hai kon mujhe rokega
Baatcheet ko load karke gaane mein thokeya
Naya naya flow har baar beta chokenge
Hip-hop ko sambhalke saupenge
Aade jo fatega chopenge
Jis jis ne mere ko mazak mein liya tha
Wo bhi insaan abhi ghar baithke sochenge

Kaun hai ye, kaun hai ye
Kaun hai ye, kaun hai ye
Soch soch
Kaun hai ye, kaun hai ye
Emiway bantai malum hai na

Kaun hai ye, kaun hai ye
Kaun hai ye, kaun hai ye

Soch soch
Kaun hai ye, kaun hai ye
Emiway bantai malum hai na

Nahi malum toh sunn mere raste chun
Dil bola woh kiya mila sukoon
Tu khoya kahan pe hai khudko tu dhoond
Baja dhoon mere gaane ka
Motivate hoke ghum
Kyu hai sum mummy papa ko jake tu chum
Khudpe pe nai aane dena hukum
Kyu khota kisi ke bhi samne jhuku
Main na ruku saala mera kissa hi alag hai

Sunte reh sunte reh sunte reh
Bhai tera pel dega
Koyi bhi tu dhun dede
Hum bhi toh ghumte
Kya kya toh din dekhe
Kharche karne se pehle
Paise bhui ginte the
Gharpe jake dekhu mummy bhi chintit hai
Papa ka kaam nahi hua
Yahan scene full fit hai
Fir bhi lade hua khada
Jitna pdhna tha sirf utna padha

Kbhi jabardasti nhi kia ghrwalon ne
Maa baap diya uparwale ne
Ek number!
Kon amdhar nahi pata tha mujhe
Main gana nikala
Kya marzi thi khuda ki ya allah tala
Jo bhid rahe the mujhse
Main bhag bhaga dala
Sambhala meine mera value
Lakhon ka deal chhoda puch mujhe bhai kyun
Laga thoda iq
Bikta nai iphone saste mein
Family se koyi nai hai music ke raste mein

Aaj beta nakshe mein bharat hai proud
Indian hip-hop beta baj rela loud
Emiway bantai pe kisko hai doubt
Main poora over khelunga tu pehle ball out
Eminem lilwayne tec9ne russ
Macklemore aur snoop dogg sabko shout out

Bahar ke artist log kar rele
Tarraki chalu hai oh jalne walon
Ye kam kare kam aur main karwara swallo
Aage badna hai har mahina video nikalo
Uchalo mera naam par sambhalke
Apun kam kar rahe
Baaki log dum marke chillis hai
Puraane soch se nai hillis hai
Main kal wala banda nai
Aa beta mil isse

Naya hai version 2.0
Bin matlab kisko bhi kyu point du
Main toh gaflat mein bhi nafrat karta nahi
Dope hai begana mera le joint too
Why can't you
Show the love to the world
I got you
If you gonna keep my word
Like i do
Even you can try my sh*t
Give ua 100 percent
Who the f**k is up

Kaun hai ye, kaun hai ye
Kaun hai ye, kaun hai ye
Soch soch
Kaun hai ye, kaun hai ye
Emiway bantai malum hai na

Kaun hai ye, kaun hai ye
Kaun hai ye, kaun hai ye
Soch soch

Kaun hai ye, kaun hai ye
Emiway bantai malum hai na

Haar nahi maan ne kabhi kya
Jo aata hai aane do
Jo jata hai jaane do

Kaam chalte rahna chahiye
Vhahe wo koi bhi kaam ho

Consistency is the key
Keep hustling and grinding
Stay motivated

Ek dusre ko badhawa do
Aur chadhawa lo
Haha peace out!
