

Kya naam hai tumhaara
Tum kidhar se aaya
Bolo na bolo bolo

Kaun hun main kya naam hai
Mera main kaha se aayi hun
Main pariyaon ki shehjaadi
Main aasman se aayi hun
Kaun hun main kya naam hai
Mera main kaha se aayi hun
Main pariyaon ki shehjaadi
Main aasman se aayi hun

Na jaapani gudiya hun na
Main bagaal ka jaadu hun
Na jaapani gudiya hun na
Main bagaal ka jaadu hun
Dhund rahe ho tab jisako main
Wahin tumhaari khushbu hun
Udakar sidhi main jannat
Ke gulsita se aayi hun
Main pariyaon ki shehjaadi
Main aasman se aayi hun

lyrics

Khaan chacha aur chaube daada
Aapas mein kyun ladate ho
Khaan chacha aur chaube daada
Aapas mein kyun ladate ho
Maine unako dekha hai tum
Jinaki kitaabein padhate ho
Raam rahim wahin rehate hai
Main jahaan se aayi hun
Main pariyaon ki shehjaadi
Main aasman se aayi hun

Ik din maine dekha tose
Swarg ke pehare daaron ko
Ik din maine dekha tose
Swarg ke pehare daaron ko
Tota maina waali kahai

Hogi yaar hajaaron ko
Main uss tota mainawaali
Daastan se aayi hun
Main pariyan ki shehjaadi
Main aasman se aayi hun
Kaun hun main kya naam hai
