

Kaun ye aaya mehafil me
 Bijali si chamaki dil me
 Ujalaa mukhda kaalaa til
 Hoth gulaabi jaise dil
 Rag e badan taubaa taubaa
 Too mili to kya hoga
 Haay o o dilrubaa meri nitaa
 Leke mrea dil ye tune
 Aankh nikali fir kyon tune
 Tune yahi socha hoga
 Sunti hai mahfil kya hoga
 Kya hoga ye kisko padi
 Hosh kaha jab aankh ladi
 Aankh ladi dil haar diyaa
 Teri ada ne maar diya
 Haay o o dilrubaa meri nitaa

Pyaar kiya hai to phir nibhana
 Aaj khul ke yun aaankh milana
 Dekhataa rahe gam ye zamaana
 Ho o ho o ho o o o o
 Jese gire shamma pe parwana
 Tu bhi aaja kya karega zamana
 Jese koi tutta hai sitara
 Joom ke aa thaam le haath humara
 Jese uthe koi moj balkha ke
 Aaja aaja aabhi ja lehara ke
 Haay o o dilrubaa meri nitaa

Tu jo hai meri baaho me
 Jalate hai dipak raaho me
 Jalate hai dipak raaho me
 Khaabo ki basti hai zami
 Aaj hai duniyaa kitani hasi
 Aaj hai duniyaa kitani hasi
 Dil se dil kaa saath rahe
