

Chalate chalate yuun lage
I wanna walk all way with you
Ruk jaau toh kyun lage,
Something is leading me back to you
Chalate chalate yuun lage
I wanna walk all way with you
Ruk jaau toh kyun lage,
Something is leading me back to you
Hosh mein bhi kaise
Bekhayaal ho gaya
Deewaano ke jaise baby i
So is this love, this must be love
Its gotta be love, because i feel love
So is this love, keh do jara
This must be love, keh do jara
Its gotta be love, keh do jara

Because i feel love
Keh do jara
Keh do jara
Keh do jara
Keh do jara

Puchhe jo koyi mujhase toh
Main subah ko shaam keh du
Bhul jaau ghar ka rasta
Kuchh kaam kuchh hi naam keh du
Na jaane aisa kya kamaal ho gaya
Deewaano ke jaise baby i
So is this love, keh do jara
This must be love, keh do jara
Its gotta be love, keh do jara
Because i feel love
Keh do jara
Keh do jara
Keh do jara
Keh do jara

Aankhon se nindein gum hai,
Sine se dil bhi laapata hai

Behake behake se armaan hai,
Lag raha gadbad maamala hai
Main na jaanu kaisa mera haal ho gaya
Deewaano ke jaise baby i
So is this love, keh do jara
This must be love, keh do jara
Its gotta be love, keh do jara
Because i feel love
Chalate chalate yuun lage
I wanna walk all way with you
Ruk jaau toh kyun lage,
Something is leading me back to you
Hosh mein bhi
Kaise bekhayaal ho gaya
Deewaano ke jaise baby i
So is this love, this must be love
Its gotta be love, because i feel love
So is this love, keh do jara
This must be love, keh do jara
Its gotta be love, keh do jara
Because i feel love
Keh do jara
Keh do jara
Keh do jara
Keh do jara.
