

Gumsum gumsum gupchup gumsum gupuchup
Gumsum gumsum gupchup gumsum gupuchup
Gumsum gumsum gupchup gumsum gupuchup

Hulchul hulchul ho gayi teri honth hai kyon chup
Hulchul hulchul ho gayi teri baithe hain gupchup
Pyaare pyaare chehre ne karte hain ishaara
Dekha teri aankhon ne hai sapna koi pyaara
Humse gori na tu sharma kehde humse zara
Humse gori na tu sharma kehde humse zara

Kehna hi kya ye nein ek anjaan se jo mile
Chalne lage mohabbat ke jaise ye silsile
Armaan naye aise dil mein khile
Jinko kabhi main na jaanoon
Vo humse hum unse kabhi na mile
Kaise mile dil na jaanoon
Ab kya karein kya naam lein
Kaise unhein main pukaroon

Kehna hi kya ye nein ek anjaan se jo mile
Chalne lage mohabbat ke jaise ye silsile
Armaan naye aise dil mein khile
Jinko kabhi main na jaanoon
Vo humse hum unse kabhi na mile
Kaise mile dil na jaanoon
Ab kya karein kya naam lein

Kaise unhein main pukaroon

Pehli hi nazar mein kuchh hum kuchh tum
Ho jaate hain yoon gum
Neinon se barse rimjhim rimjhim
Humpe pyaar ka saawan
Sharam thodi thodi humko
Aaye to nazrein jhuk jaayein
Sitamb thoda thoda humpe
Shokh hwaabhi kar jaayein
Aisi chale aanchal uthay
Dil mein ek toofan uthay

Hum to lut gaye khade hi khade

Kehna hi kya ye nein ek anjaan se jo mile
Chalne lage mohabbat ke jaise ye silsile
Armaan naye aise dil mein khile
Jinko kabhi main na jaanoon
Vo humse hum unse kabhi na mile
Kaise mile dil na jaanoon
Ab kya karein kya naam lein
Kaise unhein main pukaroon

Humse gori na tu sharma kehde humse zara

In honthon na maanga sargam sargam
Tu aur tera hi pyaar hai
Aaj dhoondhe hai jisko hardam hardam
Tu aur tera hi pyaar hai
Mehfil mein bhi tanha hai dil aise dil aise
Tujhko kho na de darra hai ye aise ye aise
Aaj mili aisi khushi jhoom uthi duniya ye meri
Tumko paaya to paayi zindagi

Kehna hi kya ye nein ek anjaan se jo mile
Chalne lagi mohabbat ke jaise ye silsile

Jinko kabhi main na jaanoon
Vo humse hum unse kabhi na mile
Kaise mile dil na jaanoon

Kehna hi kya ye nein ik anjaan se jo mile
Chalne lage mohabbat ke jaise ye silsile
Kehna hi kya.
