

Kehni hai tumse do baate  
Kahunga magar kano me  
Wo tum kahna nahi kisi se  
Apne ya begano me  
Kehni hai tumse do baate  
Kahunga magar kano me  
Wo tum kahna nahi kisi se  
Apne ya begano me  
Kano me to chor hai kehte  
Surat pe bhone bhale andar se  
Kuchh aur hai kya,  
Kehni hai, kehte raho

Baat hawaye nur ki hai abhi  
Tujhe malum nahi  
Teri tarha se har koi hai  
Jane mann masum nahi  
Kaun si bat pehle kahu  
Jine ki ya hans ki khawab ki  
Hai baat sidhi si humse karo  
Ye paheli ha kya aapki  
Pas aao to phir hum bataye  
Dhakano ki do bate sunaye  
Kehni hai tumse do baate  
Kahunga magar kano me  
Wo tum kahna nahi kisi se  
Apne ya begano me  
Kano me to chor hai kehte  
Surat pe bhone bhale andar se  
Kuchh aur hai kya tu meri hai  
Kehni hai, kehte raho

Dil ki bat hai kahna mushkil  
Khawab ki hi baat bataye  
Itna pyara kahwabo aur sapna  
Bhule se bhi bhul na paye  
Ek pari dekhi maine utarte  
Taro ki rah se dhire dhire  
Aankho me thi chamak nilam ki  
The anguthi me bhi uske hire

Hath se usne apne utari  
Hubahu sakal surat tumhari  
Usne pehna ye phir tum kahoge

Ho gaye hoge pal bhar me jogi  
Usne chaha hoga jab bhi jana  
Rah banke wahi roki hogi

Arey tune ye sab kaise jana  
Hath apna jara dikhana na na na  
Ab kahoge yahi hai anguthi  
Baat dil par magar hai ye juthi  
Tum to jhute ho ek numbari  
Na tha sapna na koi pari  
Tum chale the humi ko bananae  
Dekh ke mast mosam suhane  
Kehni hai tumse do baate  
Kahunga magar kano me  
Wo tum kahna nahi kisi se  
Apne ya begano me  
Kano me to chor hai kehte  
Surat pe khone wale andar se  
Kuchh aur hai kya.
