Olava kannalle saaruve

Kai hididu baalalli banda taruvaaya
Mai manava nee tumbi ekaanta maaya
Neenaado maatalli jena maadhurya
Nakkante nakshatra ninna soundarya

Kele mandaarave
Maatu noorarive
Ella ondonde heluve

Raama seeteya hange
Krishnaa baameya hange
Preeti tumbona naalege

Ninna mogava nanna jagake
Sooryanaagisuve
Munisu moda kandaaga preeti
Maleyanaadaruve

Ella premadalle meeri
Ninna preetisuve
Maadaballe nooru aane

Ninage baruva aase ella modale naan arive
Manadi nened kshana ninna eduru naa baruve
Nanna poorti lokavella neene tumbiruve
Naane gandha neene hoove

Kai hididu baalalli banda taruvaaya
Mai manava nee tumbi ekaanta maaya
Neenaado maatalli jena maadhurya
Nakkante nakshatra ninna soundarya

Kele mandaarave
Maatu noorarive
Ella ondonde heluve

Raama seeteya hange
Krishnaa baameya hange
Preeti tumbona naalege.
