

Maula.....

Mere maula maula mere maula  
Maan matwala kyun hua hua re  
Maan maula maula mere maula  
Mere maula

Kis taraf hai asmaan  
Kis taraf zameen  
Khabar nahi khabar nahi  
Ooohhhh  
Jab se aaya hai sanam  
Mujhko khud ki bhi khabar nahi  
Khabar nahi  
Hooohhhh  
Hosh gul sapno ki mein bandhu gull  
Aankh kab khuli  
Khabar nahi khabar nahi

Hoo hoo  
Kis taraf hai asmaan  
Kis taraf zameen  
Khabar nahi khabar nahi

Maan maula maula mere maula  
Mere maula

It's got to be love  
It's got to be love  
It's got to be love  
Got to be love, coz it really got me going  
It's got me going  
Got to be love, coz it really got me going  
It's got me going  
Got to be love, coz it really got me going  
It's got me going  
Got to be love, coz it really got me going  
It's got me going

Jaane kab kahan kaise

Tere ho gaye kaise  
Hum to sochte hi reh gaye  
Aur pyaar ho gaya  
Mere khawaab dil sansein  
Mil ke kho gaye aise  
Tujko dekh ke aisa to kai baar ho gaya  
Tu kahe dil yeh tera hi rahe  
Aur kya kahun  
Khabar nahi khabar nahi

Oooo...  
Kis taraf hai asmaan  
Kis taraf zameen  
Khabar nahi khabar nahi

Mere maula maula mere maula  
Maan matwala kyun hua hua re  
Maan maula maula mere maula  
Mere maula

Aayega woh is intezaar mein  
Ud chala dil wahan, sapne jahan mein janu  
Lagta hai woh mere kareeb hai  
Aisa kyun hai magar, dhunde nazar beqabu  
Hosh gul sapno ki mein bandhu gull  
Aankh kab khuli
