

Khan chacha khan chacha
Khan chacha khan chacha
Ye ladki mujhe pyar karti hai
Ye ladki mujhe pyar karti hai
Muh se nahi manti dunia se darti hai

Khan chacha khan chacha
Khan chacha khan chacha
Ye ladka mujhe tang karta hai
Ye ladka mujhe tang karta hai
Muh se nahi bol paye
Dunia se darta hai
Khan chacha khan chacha
Khan chacha khan chacha

Chori chupke mera nam ye leti hai
Chori chupke mera nam ye leti hai
Pyar me gusse se kam ye leti hai
Soti nahi rato me aahe bharti hai
Muh se nahi manti dunia se darti hai
Khan chacha khan chacha
Khan chacha khan chacha

Muh se kabhi piya ka nam lete hai
Aankho se hotho ka kam lete hai
Jutha ilzam mere nam dharta hai
Muh se nahi bol paye
Dunia se darta hai
Khan chacha khan chacha
Khan chacha khan chacha

Hote tum dono hi bada ki mane
Lale nadan tum abhi na jane
Hame bhi din aaye tum jo kar paye hai
Hum ue nahi manta dunia se darta hai
Khan chacha khan chacha
