

Bit na jaaye ye saavan ki raate
Dekh le meri ye bechaini
Aur likh de do baate

Khat likh de saavariyaa ke naam baabu
Khat likh de saavariyaa ke naam baabu
Kore kaagaz pe likh de salaam baabu
Vo jaan jaaege, pahachaan jaaege
Kaise hoti hai subah se shaam baabu
Kaise hoti hai subah se shaam baabu
Vo jaan jaaege, pahachaan jaaege
Khat likh de

Saare vaade nikale jhutte
Saamane ho to koi unase ruthe
Saamane ho to koi unase ruthe
Le gai bairan shahar piyaa ko
Raam kare ki aisi naukari chhute
Unhe jisane jisane
Unhe jisane banaayaa gulaam baabu
Kore kaagaz pe likh de salaam baabu
Vo jaan jaaege, pahachaan jaaenge
Khat likh de likh de na

Jab aaege sajanaa mere
Khan khan khanakege kanganaa mere
Khan khan khanakege kanganaa mere
Paas gali me ghar hai mera
Us din tu bhi aana anganaa mere
Kuchh tujhako tujhako
Kuchh tujhako mai dungi inam babu
Kore kagaz pe likh de salam babu
Vo jan jaaege, pahachaan jaaege
Khat likh de

Aur bahut kuchh hai likhavaanaa
Kaise bataa dun tujhe tu begaanaa
Kaise bataa dun tujhe tu begaanaa
Sharm se aankhe jhuk jaaegi
Dhadak uthegaa moraa dil divaanaa

Bas aage aage

Bas aage nahi teraa kaam baabu
Kore kaagaz pe likh de salaam baabu
Vo jaan jaaege, pahachaan jaaege
Kaise hoti hai subah se shaam baabu
Kaise hoti hai subah se shaam baabu
Vo jaan jaaege, pahachaan jaaege
Khat likh de.
