

Abb hamako roke na toke koyi  
Hamako badhaane hai aage kadam  
Aag rahegi ya bhukhe koyi  
Pidha uthaate hai aaj yeh hum  
Yeh naam paayenge paaye saja  
Isaki nahi hamako koyi bhi parwaah  
Karna hai kya hame yeh hai pata  
Hamane apane dil me  
Jo socha hai woh toh hoga  
Khele hum jee jaan se  
Khele hum jee jaan se  
Khele hum jee jaan se  
Khele hum jee jaan se  
Khele hum jee jaan se  
Khele hum jee jaan se  
Khele hum jee jaan se  
Khele hum jee jaan se

Nyay hame apani  
Dhaarti pe laana hai  
Anyaa koyi jaise  
Bhi woh mitaana hai  
Hamale ke hai aatam  
Sammaan aaye  
Aazaadi ka leke  
Harwa na aaye  
Aandhi uthe aage  
Tufaan aaye  
Abb chaahe koyi  
Bhi parwaan aaye  
Dekhe hatheli pe  
Hum jaan aaye  
Khele hum jee jaan se  
Khele hum jee jaan se  
Khele hum jee jaan se  
Khele hum jee jaan se  
Khele hum jee jaan se  
Khele hum jee jaan se  
Khele hum jee jaan se  
Khele hum jee jaan se
