

Khoyi khoyi aankh hai  
Jhuki palak hai jahaan  
Jahaan dekhega tu  
Wahi jhalak hai khoyi khoyi

Tere naina talaash kare jise  
Wo hai tujhi me kahi deewane  
Tere naina talaash kare jise  
Wo hai tujhi me kahi deewane  
Tere naina

Yaha do rup hai har ek ke  
Yaha nazare uthana zara  
Dekh ke o jab us ki  
Muhabbat me gum hai tu  
Wahi surat nazar aayegi  
Chaar su kaun kya hai mann ke  
Sivaa ye koi kya jaane  
Tere naina talaash kare jise  
Wo hai tujhi me kahi deewane

Tere naina

Ye jawan raat le ke tera naam  
Kahe haath badha koi haath thaam  
Ye jawan raat le ke tera naam  
Kahe haath badha koi haath thaam  
Ye jawan raat

O kaali alaka ke  
Baadal me bijaliyaan  
Gori baaho me chaahat  
Ki agadaaiyaan jo adaa  
Hai ishara hai pyaar kaa  
O deewane tujhe chaahiye  
Aur kya par ruk jaa mann ki  
Sada bhi sun deewane  
Tere naina talaash kare jise  
Wo hai tujhi me kahi deewane

Tere naina.
