

O jaana, o jaana..
O jaana..
Khoya khoya rehta hai
Dil tadaap ye kehta hai
Tu hai mere jeene ki wajah

O jaana, o jaana..
Khoya khoya rehta hai
Dil tadaap ye kehta hai
Tu hai mere jeene ki wajah
O jaana..
Ishq hai aansu ishq hai naghma
Ishq sukun hai raahat hai
Ishq hai sehra ishq hai dariya
Ishq junoon hai zahmat hai

O jaana, o jaana..
Khoya khoya rehta hai
Dil tadaap ye kehta hai
Tu hai mere jeene ki wajah
O jaana..
Ishq hai aansu ishq hai naghma
Ishq sukun hai raahat hai
Ishq hai sehra ishq hai dariya
Ishq junoon hai zahmat hai

Tanha adhoora sa, khaamosh lamha sa
Tehra hua hai dil yahaan
Mehsus kar le tu, jazbaat ki khushboo
Khud se karun kya mai bayaan

Dard hai jo halka sa, khaab khaab chalka sa
Tu muskuraaye har jagah

O jaana..
Khoya khoya rehta hai
Dil tadaap ye kehta hai
Tu hai mere jeene ki wajah
O jaana..o jaana...

Kis pe karoon zaahir, hai dard kya aakheer

Kyun sukoon mujh se khafa
Betaab lamhon me, benaam aashqon mein
Yeh aaks kis ka ban gaya, ghum ko aazmaane de
Dil ko chot khaane de, kya h chale kuch to pata

O jaana
Khoya khoya rehta hai
Dil tadap ye kehta hai
