

Burrah burrah burrah oh chak de  
Aundyo pegg vadda paa ke  
Aaj sir ghumu desi laa ke  
Put your drinks up in the air  
Put your drinks up in the air  
Aundyo pegg vadda paa ke  
Aaj sir ghumu desi laa ke  
Put your drinks up in the air  
Put your drinks up in the air

Katthe ho ke mittran ne  
Aaj khuh te baar bna li  
O chon bandeya ne panj bottlan  
Kar ditiyan ne khaali burrah burrah  
Katthe ho ke mittran ne  
Aaj khuh te baar bna li  
O chon bandeya ne panj bottlan  
Kar ditiyan ne khaali  
Aje ve kehnde mood ni banya  
Shevi hor manga li  
Aaj aapan krage raat a kaali

Katthe ho ke mittran ne  
Aaj khuh te baar bna li  
O chon bandeya ne panj bottlan  
Kar ditiyan ne khaali

Oh munde daaru peeche marde  
Oh munde gat gat karde  
Fer shera wangu bukde  
Chadh jaandi jad fer  
Kise ton na darde  
Oh munde daaru peeche marde  
Oh munde gat gat karde  
Fer shera wangu bukde  
Chadh jaandi jad fer  
Kise ton na darde

Haan vi aun deyo ajj ghar di  
Jehdi mitra de dukh hardi

When the daaru in the cup  
Vekho kiddan paindi kham

Laal pari ton bina haye sadde  
Saah sukh jaande ne ne ne ne  
Je ek shaam na pee aa  
Sadde cell mukh jaande ne  
Gall sachi babbu bhai di  
Appan khuh te bar banaayi di  
Fer daaru full chadhai di  
Naale egg di bhurji khaayi di  
Hun thekeyaan te jaake pucho  
Jitthe maariyan mallan ne  
Eh thirty sixty napna taan  
Putt bacheya aaliyan gallan ne

Aaj to lagda kul duniya te  
Raaj a sada challe balle balle  
Jihda karda chu chaa ohnu  
Farh lo kalle kalle paa lo thalle  
Aaj to lagda kul duniya te  
Raaj a sada challe  
Jihda karda chu chaa  
Ohnu farh lo kalle kalle  
Vekh lva ge jo houga  
Gall ni mushkil wali  
Hun aapan krage raat a kaali  
Katthe ho k mittran ne  
Aaj khuh te baar bna li  
Chon bandeya ne panj bottlan  
Kar ditiyan ne khaali

Oh munde daaru peeche marde  
Oh munde gat gat karde  
Fer shera wangu bukde  
Chadh jaandi jad fer  
Kise ton na darde  
Oh munde daaru peeche marde  
Oh munde gat gat karde  
Fer shera wangu bukde

Chadh jaandi jad fer  
Kise ton na darde.
