

Khud se har koi rootha hai
Kuchh sachha kuchh jhootha hai
Khud se har koi rootha hai
Kuchh sachha kuchh jhootha hai
Duniya mein hai tum aur hum
Duniya mein hai tum aur hum
Itni khushiya kya hai gum
Jeewan ki hai ye to galiya
Chhodo kate chun lo kaliya

Apno se jo rahte hai jud ke
Unke dil kab tute hai
Are apno se jo rahte hai jud ke
Unke dil kab tute hai
Sache rishte pyar ke rishte
Sache rishte pyar ke rishte
Baki rishte jhutha hai
Ho jeevan ki hai ye to galiya
Chhodo kate chun lo kaliya

Aag lagi hai jo nafrat ki
Aag lagi hai jo nafrat ki
Wo na dabegi takat se
Are aag lagi hai jo nafrat ki
Wo na dabegi takat se
Ya to bujhegi ye ashko se
Ya to bujhegi ye ashko se
Ya to bujhegi chahat se
Jeevan ke hai ho ye to galiya
Chhodo kate chun lo kaliya
Are khud se har koi rutha hai
Kuchh sachha kuchh jhutha hai
Duniya mein hai tum aur hum
