

Raaste khushfahmiyan,
Ab reh gaye hain darmiyan,
Maine pyar tujhse hai kiya,
Tanha tere bin main raha,

Manzilein hain farebiyan,
Jo asar tera mujhpe hua,

Ke tera mera pyar kyun yeh aitbaar,
Karne laga,
Haan meri jaan tera deedar,
Karda rawan,

Guzaare the jo pal pa ke tujhe,
Darbadar,
Ke tune mera dil khud se judah,
Kar diya,

Tum hi ho pass mere,
Tum hi the saath mere,
Tumse hi haasil hua,
Mujhko mera pata,

Chaha jo tumko sada,
Paya yun khud ko zara,

Itna mujhe bata,

Yeh ishq toh laazmi hai,
Har dard mein tu basi hai,
Saanson ko teri kami hai,
Ab rehna bin tere,

Dhadkanein hain shikayatein,
Kyun thum gaye ke dil yahan,

Ke tera mera pyar kyun yeh aitbaar,
Karne laga,
Haan meri jaan tera deedar,
Karda rawan,

Guzaare the jo pal pa ke tujhe,
Darbadar,
Ke tune mera dil khud se judah,
Kar diya.
