Khud to badnam huye, humko badnam kiya

Khud to badnam huye, humko badnam kiya
Khud to badnam

Aaj nazare to mila aankh hai paimana tera
Jhum ke pi le sanam, pyar hai maykhana tera
Apni aankho se sada mujhko pilana sathi
Ek pyase ko kahi bhul na jana sathi
Khud to badnam huye, humko badnam kiya
Khud to badnam huye, humko badnam kiya
Khud to badnam

Raz e dil kya hai batu to batana mushkil
Aur aaho ko chhpau to chhupana mushkil
Haye, haye ye naz ye andaz na dekha humne
Aaj to tum mujhe jannat ki pari lagati ho
Khud to badnam huye, humko badnam kiya
Khud to badnam huye, humko badnam kiya
Khud to badnam

Pyar ki aisi doraho pe hai jivan mera
Ek taraf jaan meri, ek taraf dil hai mera
Aaj to dil tere kadamo pe jhuka jata hai
Tere jalwo se ye madhosh huya jata hai
Khud to badnam huye, humko badnam kiya
Khud to badnam huye, humko badnam kiya
Khud to badnam huye, humko badnam kiya
Khud to badnam huye, humko badnam kiya
Khud to badnam.
