

Khuda aap ko nazare bad se bachaye  
Kahin dushmano ki nazar lag na jaaye  
Khuda aap ko nazare bad se bachaye  
Kahin dushmano ki nazar lag na jaaye  
Salamat rahe ye sharabi nigahe  
Salamat rahe ye sharabi nigahe  
Kahin dosto ki nazar na laga jaaye  
Khuda aap ko nazare bad se bachaye  
Kahin dushmano ki nazar lag na jaaye

Mohabbat ke din hain mohabbat ki raate  
Labo pe hain har dum mohabbat ki baate  
Badi khubsoorat lage zinadagaani  
Tere naam kardi hain maine jawaani  
Khayalo mein bhi na koi khusboye churaye  
Khayalo mein bhi na koi khusboye churaye  
Kahin dushmano ki nazar lag na jaaye  
Khuda aap ko nazare bad se bachaye  
Kahin dushmano ki nazar lag na jaaye

Main kaise batau tumhe apni mushkil  
Koi tumko dekhe to dhadke mera dil  
Kaleje se tumko laga ke rakhungi  
Tumhe dhadkano mein basake rakhungi  
Main bitha hoon palko mein tumko chhupaye  
Main bitha hoon palko mein tumko chhupaye  
Kahin dushmano ki nazar lag na jaaye  
Salamat rahe ye sharabi nigahe
