

Dard sine me aanko me samndar dekha
Zindgi humne tera kaisa mukdhar dekha
Khuda ke vaste mita do fasle
Khuda ke vaste mita do fasle
Hai manjil ek sabhi ki alag hai raste
Hai manjil ek sabhi ki alag hai raste
Khuda ke vaste mita do fasle

Lage hai jahalo me jo nafrat ke taale
Vo darwaje jara khol do tum
Lage hai jahalo me jo nafrat ke taale
Vo darwaje jara khol do tum
Khuda kar bhi use tahasub ke sole
Mohbbat fizao me bas tol do tum
Ho tum insan insan ke kaam aao tum
Jamane me aakar na dar jao tum
Laga lo sab ko gale se ho vo chahe ajnabi
Laga lo sab ko gale se ho vo chahe ajnabi

Agar zinda rahena hai mar kar bhi
To girte huwo ko sambal lo tum
Agar zinda rahena hai mar kar bhi
To girte huwo ko sambal lo tum
O jinko jamane tukra diya hai
Agar jinda rahena hai mar ke bhi
Unhe fir se jeene ka paigam do tum
Koi is jahaan me rahe bas rahe
Kisi se aankh se ab na aansu bahe
Tumhi ko har chehre par sajana hai khushi
Tumhi ko har chehre par sajana hai khushi

Ye masum lase ye kamosh chikhe
Yaha zindgi ka na koi nisan hai
Ye masum lase ye kamosh chikhe
Yaha zindgi ka na koi nisan hai
Yaha tak na ghar hai
Dhuaa hi dhuaa hai
Jara tum hi dekho insaan kaha hai
Ye hum aa gaye aaj kis modh par
Hai saitan bhi hairan hume dekh kar

Dilo se mita do yaro tum apni dusmani
Dilo se mita do yaro tum apni dusmani
Khuda ke vaste mita do fasle
Khuda ke vaste mita do fasle
Khuda ke vaste mita do fasle
Khuda ke vaste mita do fasle
Khuda ke vaste mita do fasle.
