

Jal jal ke yeh rakh hua hai  
Maula yeh mera jahaan  
Badbakhat main dar-badar  
Ab dhondun khwabon ka nishan

Kyun har taraf hai adhuri  
Rahoon ka silsila  
Rehmat ki barishon se  
Zakham ko kar de rihaa

Khudaya ve o maula ve  
Khudaya ve maula ve

Khwaishon ki dhoop mein  
Jalta mera saya yahaan  
Gamriyan kinaron pe  
Dariyan hai yeh khali yahan

Bas mein rahi kyun  
Fithrat ki yeh khataein  
Sunle fariadi dil ki yeh sadhaye

Khudaya ve o maula ve  
Khudaya ve maula ve

Khamoshian tere dar pe  
Rehti hai kyun har pehar yeh  
Batla de mujhko ae khuda

Kadmon tale hai jo rahe  
Dede inhe tu panhaye  
Manzil hai koyi gumshuda  
Gum-raha parinda hoon main  
Hai lapata ashian  
Lamhon ke kanch pe kohra

Khudaya ve o maula ve  
Khudaya ve maula ve.
