

Khul ke muskuraale too dard ko sharmaane de  
Bundo ko dhartee par saaj ek bajane de

Hawaaye keh rahee hain, aaja jhule jara  
Gagan ke gal ko jaake chhule jara  
Utaar gham ke moje, jamein ko gungunane de  
Kankaro ko talwo me gudgudee machaane de  
Bharatlyrics.com  
Khul ke muskuraale saaj ek bajane de

Jhil ek aadat hai, tujhame hee toh rehtee hai  
Aur nadee sharaarat hai, tere sang behtee hai  
Har lehar yeh kehtee hai, khud ko jhum jaane de  
Jindagee ko aaj naya git koyee gaane de  
Khul ke muskuraale saaj ek bajane de

Baansuree kee khidkiyo pe sur yeh kyon thithakte hain  
Ankh ke samander kyon bewajah chalakte hain  
Titliya yeh kehtee hain abb basant aane de  
Jangalo ke mausam ko bastiyo me chhaane de  
Khul ke muskuraale saaj ek bajane de.
