

Khule khule naram naram gesu
Khule khule naram naram gesu
Fiza mein bikhre to khawab jaise
Jhuki jhuki mast mast aankhe
Baras rahi o sharab jaise
Khule khule naram naram gesu

O mere khawabo mein tha
Bachpan se jo mukhda
O mere samne hai ab
Wahi chand ka utkda

Jawa badan me wo bankpan hai
Khile ho lakho gulab jaise
Khule khule naram naram gesu

O hotho pe tabastum
Kabhi dil me halchal
O ho kai raz ki bate
Kahe dhalka aanchal
Sitam to ye hai ke us nazar
Ke sawal bhi hai jawab jaise
Khule khule naram naram gesu

O na wo uthkar jaye
Na main nazre hatau
Yahi kahta hai dil
Yuhi dekhe jau
Ghataye khate bite irada
Ye koi behisab jaise
Khule khule naram naram gesu.
