

Khush raho har khushi hai tumhaare liye
Khush raho har khushi hai tumhaare liye
Chhod do aansuo ko hamaare liye
Chhod do aansuo ko hamaare liye
Khush raho har khushi hai tumhaare liye

Kyo udaasi ki tasvir ban kar khade
Gam uthaane ko duniyaa me ham to pade
Muskaraane ke din hai na aahe bharo
Muskaraane ke din hai na aahe bharo
Mere hote na khud ko pareshaan karo
Khush raho har khushi hai tumhaare liye
Khush raho har khushi hai tumhaare liye

Bijali chamake tumhe dar ki kya baat hai
Roshani ki yahi to shuruwaat hai
Tutani hai jo bijali meraa sar to hai
Tutani hai jo bijali meraa sar to hai
Jo adhere hai beghar meraa ghar to hai
Khush raho har khushi hai tumhaare liye
Khush raho har khushi hai tumhaare liye

Tum bahaaro se shikawa na karana kabhi
De do kaante hame phul le lo sabhi
Phul koi kuchal jaaye jab bhul mein
Phul koi kuchal jaaye jab bhul mein
Soch lenaa ke ham mil chuke dhul mein
