

Tu jo nahi tha, kuch bhi nahi tha  
Har rishta tha, sard bada  
Bin tere dil mein, ek soona pan tha  
Seene mein tha, ek dard bhara

Tu jo mila hai, dil ne kaha hai  
Mil hi gaya humdard mera  
Aankhein nam hui, lamha tham gaya  
Mera ishq hua, khushnuma, khushnuma  
Khushnuma..khushnuma

Main tujhse kuch yun juda,  
Jaisa main sufi tu khuda  
Main tujhse kuch yun juda,  
Jaisa main sufi tu khuda  
Dua mein maanga, tha tujhe,  
Sajde mein paaya hai tujhe..  
Khushnuma..khushnuma..

Yaad hai woh yaadein teri,  
Woh kasmeyn woh baatein teri  
Yaad hai woh yaadein teri,  
Woh kasmeyn woh baatein teri  
Milke na hona tu phir juda,  
Tujhse hai meri iltejaa, doori na ho darmiyaan

Aankhein nam hui, lamha tham gaya  
Mera ishq hua, khushnuma, khushnuma  
Khushnuma..khushnuma

Tu jo nahi tha, kuch bhi nahi tha  
Har rishta tha, sard bada  
Bin tere dil mein, ek soona pan tha  
Seene mein tha, ek dard bhara

Tu jo mila hai, dil ne kaha hai
