

Jo tujhe jagaaye, neendein teri udaaye
Khwaab hai sachcha wahi
Neendon mein jo aaye jise to bhul jaaye
Khawab woh sachcha nahi
Khwaab ko raag de, neend ko aag de o o o
Angaaron ko jagaaye, koyalo sa jo gaaye,
Khwaab hai sachcha wohi
Leharein jo uthaaye , leharein jo uthaaye
Paaniyo ko hilaaye, khwaab hai sachcha wohi
Khwaab ko raag de, neend ko aag de o o o

Manjilon pe tyuahaar hai, lekin woh haar hai
Kya khusi apano ke bin
Hai adhuri har jeet bhi, sargam sangeet bhi
Adhura hai apano ke bin
Khaabon ke baadal chhaane do lekin
Rishton ki lau ko bachaake barasana
Kehati hai hawaayein chum le gagan ko
Pankho ko khol tu chhod na tarasna
Khwaab ko raag de, neend ko aag de o o o
Na na na na na ra ra ra ra ra
La ra ra la la la ra ra

Khwaab ko raag de, neend ko aag de o o o
Khwaab ko khaab ko raag de
Neend ko aag de, aag de o o o
