

Khwabon khwabon jaage soye
Khoeye khoeye hum hai jaise yahaan
Raahon raahon dhundhle dhundhle
Halke halke hosh ke hain nishaan

Tum humsafar ho toh
Raste sab hain sehal
Har mod par milte
Sapno ke hain mahal
Pighle tann mann hain,
Saanson mein hai nasha

Tu humsafar ho toh
Sab hai jaise haseen
Chaand se zyada hai
Jagmagaati zameen
Pyaar mein doobi si,
Lagti hai har disha

Khwabon khwabon jaage soye
Khoeye khoeye hum hai jaise yahaan
Raahon raahon dhundhle dhundhle
Halke halke hosh ke hain nishaan
Kya karron main bayaan
Ladhkhaaye zabaan

Hum jo aise mil gaye hain,
Ab iraaade hi naye hain
Tum hi kaho, kaise na ho,
Dil mein mere yeh hulchul
Hum toh jaise hain deewane,
Dil ki saari baatein maane
Tum ho jahaan main hoon wahaan,
Dono hue hain paagal
Kum na ho deewangi apni,
Guzre yunhi zindagi apni
Dil jo bataayenge,
Hum kehte jaayenge haan

Khwabon khwabon jaage soye
Khoeye khoeye hum hai jaise yahaan

Raahon raahon dhundhle dhundhle
Halke halke hosh ke hain nishaan

Pyaar ke jo raaste hain,
Apne hi toh vaaste hain
Tum bhi chalo, main bhi chalun
Chalte rahein hum pal pal
Palkon palkon khwaab leke,
Iktile betaab leke
Hum jo chale chaane lagey,
Geeton ke yeh baadal
Goongje hain jo geet sureelay
Bann jo inki madheera pee le
Hum mehke jaayenge,
Hum kehte jaayenge haan

Khwabon khwabon jaage soye
Khoye khoye hum hai jaise yahaan
Raahon raahon dhundhle dhundhle
