Veendum veendum kaanan
Thonnum maayajaalam nee

Azhake aazhikannale thazhukum ambilikunjole
Arikil chernirikkule nilave
Veruthe vaadi nikkathe chiriyil muthukudanjatte
Mazhivil chandhame ennumen swathame

Kiliye thathakiliye konchiparanen koottilethule
Niraye chinnichitharum kothiyaal
Kurumbe kallakurumbe ullilolikkum naanamenthanu
Pulare muthipunarnonnaliyaan

Thankame thankame thankame thankame
Thankame thankame thanthanannano

Maayamkaatti mayakidalle manathude nadathidalle
Kathilinnu chonnathellam nerano
Ninnemathramorthirunnu kanavukal kortheduth
Kudamorikaathirikkum paavam pennale

Azhake changulakkana chodhyamithenthe
Theeyerikkanorathiyumenthe
Namml randum randayennal lokam theerille
Chiyothi kaavilethivilakkukoluthi

Kayyiyil kayyum korthum konde koode kuuttum njan

Mazhavil chandhame neeyen swathame
Thanthane thanthane thanthanannane
