

Killer Killer Song Lyrics

You believe devil
I'm the devil
And you will call me
Captain miller

Heard you want that fight well
Here's a war
I've tasted steel before
I have the scars

You will learn to fear my name
Your eyes will never see the same
You can not win while i'm alive
Today is not my time to die

It's yours

Do pairon par tu aayega par
Char kandhon par hi jayega phir
Teri fauj pe bhari hoon main akela
Sau kauvon par ek baaz ka panja

Kar waar tera sanhaar atal hai
Jaan le teri haar atal hai
Aaja aag ka gola banke
Khaak hai teri raakh atal hai

Bujhti shaam ka sooraj hai tu
Dhalti raat ka taara hai tu
Tukda tukda toot katega
Pighli mom ka paara hai tu

I'm the devil

And you will call me

Killer killer captain miller
Heard you wanna fight
Killer killer captain miller
Brings you war tonight

Killer killer captain miller
Has a heart of stone
Killer killer captain miller
Gonna crush your bones
