

Killer Killer Song Lyrics

You believe devil?
I am the devil
And you will call me
Captain miller

Heard you want that fight well
Heres a war
I've tasted steel before
I have the scars

You will learn to fear my name
Your eyes will never see the same
You cannot win while i'm alive
Today is not my time to die

It's yours

Nee thaniya vandha thala mattum urulum
Nee padaiya vandha savamalai kuviyum
Nee nariya pathunga romam kizhiyum
Nee eruvaa paaya kombu muriyum

Nee odi vandha mutti sedharum
Koodi vandha pallu uthirum
Saadi vandha sangum pithungum
Parandhu vandha elumbu odaiyum

Nee theeya vandha alaiya adippen
Puyala vandha malaiya thaduppen
Kaadaa valarndha idiya erippen
Aazhmanasula azhiva vedhappen

I am the devil
