

Kim Kim Song Lyrics

Kim kim kim kim kim kim kim
Mey mey mey mey mey mey

Naadha enkadhal devadas
Varaathu vandha naadha
Naadha enkadhal devadas
Varaathu vandha naadha

Sonthamulla parvathi naan
Vanthen unakku endru

Kim kim kim kim kim kim kim
Kanaavil indru
Mey mey mey mey mey mey

Kim kim kim kim kim kim kim
Thom tharikida
Mey mey mey mey mey mey

Naadha enkadhal devadas
Varaathu vandha naadha

Melliya malligai vaasanai veesidum
Thotam pani moottam
Ange nee vanthal enna naadha

Santhanam kungumam sangamam aagidum
Kolam manakkolam
Nam vaazhvil kandaal enna naadha

Unnidam thanjam ena
Parvathi vanthuvittal
Thannidam ulladhai
Thanthiduvalo enna ragasiyamo
Enna ragasiyamo

Kim kim kim kim kim kim kim
Mey mey mey mey mey mey

Kim kim kim kim kim kim kim
Kanaavil indru
Mey mey mey mey mey
Kim kim kim kim kim kim kim
Kanaavil indru
Mey mey mey mey mey mey
