

Tu rang hai mera  
Noor hai tu  
Aadat teri mujhe  
Fitoor hai tu  
Fitoor hai tu

Tere saath mein hon subah  
Tu hi sabse pehle ho haan  
Raaton mein baatein teri  
Naa neend ko de jagah

Tere paas harpal rahun  
Yahi aarzu hai meri  
Saanson mein teri mehek  
Ho haathon mein hath tera

Mere seene ki dhakkan hai  
Tu bann gaya  
Mahiya mere maahi  
Jaaniya dil jaani  
Mahiya mere maahi jaaniya dil jaani

Kinna sona tu sona tu haan  
Kinna sona tu sona tu haan  
Kinna sona tu sona tu haan

Tu hi to rehbar hai  
Tu hi hai mera rehnuma  
Tu hi muqaddar hai  
Tu hi hai naseeb mera

Tujhko dekhe bina  
Jee je lagta nahi  
Tujhko dekhne se  
Aankhen thakti nahi  
Hai kahan koi tujh sa nazara yahan

Mahiya mere maahi  
Jaaniya dil jaani  
Mahiya mere maahi jaaniya dil jaani

Kinna sohna tu sohna tu haan  
Kinna sohna tu sohna tu haan  
Kinna sohna tu sohna tu haan

Tu hi hifazat hai  
Tu hi hai mera aasara  
Teri inayat hai  
Tujh se mila hai khuma

Har dua mein tujhko maangu sada  
Rab se hai har ghadi  
Bas yahi iltija
